From O'Connell Street you can either get a taxi or take the 15A bus from College Street (adjacent to Trinity College) which is the most direct bus route to Whitehall Road.

From City Centre/Harold's Cross by car

On reaching the N81 at Harold's Cross – you move straight along Harold's Cross Road until you meet a V type junction with a grass area/railing. Keep right and join Kimmage Road Lower until you get to what is known as the KCR junction (where Kimmage Road Lower meets Kimmage Road West. This will be a large four way junction with traffic lights (there are at least three sets of traffic lights before you reach the KCR junction). Here you take a right at the traffic lights on to Kimmage Road West. At the next traffic lights you take a left on to Whitehall Road.

As you are going along Whitehall Road you will pass three bus stops on your left. Just after the third bus stop (and next to a green area with a railing) you come to a set of traffic lights. You take a left here (you should see a sign for Kimmage Manor). It looks like you are going in to a housing estate but if you keep going you will see a large open gate ahead of you. As you go inside the gates take the second left into the larger open space past the trees where you should see the Parish Church on your right and ahead of you is Kimmage Manor (with a red door). There is plenty of free car park space in the grounds of Kimmage Manor.

From M50 by car

From the M50, take Exit 11 (Tallaght/Templeogue Exit) and head in the direction of the City Centre. Take a left at the Spawell Roundabout on to Wellington Lane, continue on Wellington Lane through the next roundabout. You are still on Wellington Lane and you go through the next roundabout you enter Whitehall Road. Keep going on Whitehall Road, and when you get to the crossroads with traffic lights, turn right in to Kimmage Manor.

As you go inside the gates take the second left into the larger open space past the trees where you should see the Parish Church on your right and ahead of you is Kimmage Manor (with a red door).

There is plenty of free car parking space in the grounds of Kimmage Manor.
